

Equipment Loan Agreement

Date: _____

Renter: _____

Lender: Edward Thomson

Statement of Intent: The purpose of this letter is to formalize our understandings regarding your intention to loan certain pieces of equipment owned by Edward Thomson, and to set forth our mutual understandings regarding the care, custody, and disposition of such equipment. The supplier (Edward Thomson) certifies and warrants that the renter, _____ and approved members to free and clear title to such equipment, and that the loaner intends to transfer custody only, and to retain ownership and title to equipment even during the specified Loan Period. The Equipment that is covered by this Agreement (“Loaned Equipment”) shall be identified in a later section.

1. Terms and Conditions of Loan:

- a. The Lender will loan the equipment to _____ on the terms and conditions of this agreement
- b. The Equipment Loan period shall be from
 - i. *Start Date:*
 - ii. *End Date:*

2. Obligations of Renter and Loaner

- a. Edward Thomson is not liable for losses or damages to the loaned Equipment for the agreed upon rental date (whether damaged/broken during filming, transporting between shoots, etc.). All monetary liability throughout the agreed upon loan length will be assigned to _____. Additionally, any discovered damages to the equipment postproduction will be assessed by a mutually agreed upon third party (see below for assessed conditions of equipment being provided) in which the renter undersigned will be responsible for recouping.
- b. Upon returning the equipment, the lender will perform a review of the condition of equipment with the renter, and the renter shall explain any damages that might have incurred to any of the borrowed equipment.

3. Entire Agreement

- a. This agreement sustains a binding agreement between parties, which establishes the terms and conditions of the loan and the related liability
